Do you consider the Local Plan is ...

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

In respect of Allocaton 2. - Land north of Long Copse Lane, I believe the allocation is unsound, in one aspect not legally compliant and that the whole allocation should be removed from the Local Plan.

The Allocation relies on improvements that it doesn't specify as required.
The plan is not effective because the Council's own appraisal says sustainable transport – walking, cycling, bus links – must be defines. I object to the allocation because it dilutes this by stating that "the developer must explore opportunities" for sustainable transport and is therefore unsound.

Rare Bats

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Rare Bats
I object because the Council has professionally created records of the presence of Bechstein's bats. Like all bats, this species is legally protected. However the allocation says Bechstein's bats are potentially present in an apparent attempt to circumvent the legal protection of bats..
This is legally non-compliant and unsound.

This site has been the subject of previous failed applications.
The Council failed to determine an application for just over 200 homes between 2021 and 2025 and it was then withdrawn. There is currently no developer for the site.. The Council says it is 'developable' rather than 'deliverable' and I object to the allocation because it is not effective and therefore unsound.

Examination Hearing Session Invitation

If your representation / representations are seeking a modification to the plan, do you consi der it necessary to participate in examination hearing session(s)?
Please note that while this will provide an initial indication of your wish to participate in exa mination hearing session(s), you may be asked at a later point to confirm your request to p articipate.
No details on the examination hearing session(s) have yet been determined and will be ma de available upon the submission of the Building a Better Future Plan to the Planning Inspe ctorate.

Yes, I wish to participate in examination hearing session(s)

Examination Hearing Session Invitation (2)

You indicated that you wish to participate in the examination hearing session(s). Please out line why you consider this to be necessary.
Please note the Inspector will determine the most appropriate procedure to adopt to hear th ose who have indicated that they wish to participate in examination hearing session(s). Yo u may be asked to confirm your wish to participate when the Inspector has identified the m atters and issues for examination.

This allocation (land north of Long Copse Lane) is unsound and in one respect not legally complaint. I feel strongly that this site should be excluded from the Local Plan and, as as the wildlife lead for the local environmental group in closely neighboring Westbourne, I feel it important that the Inspector should be aware of the shortcomings of this allocation.
