	Yes	No

Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

inclusion of an allocation that its within the national landscape is against National Policy
this allocation would constitute major development for the purposes of paragraph 190 of the NPPF2024. National Policy requires the scale and extent of development within nationally protected landscapes to be limited (para 189) and provides that major development within them should be refused other than in exceptional circumstances and where it is demonstrated to be in the public interest following the assessment set out in paragraph 190. This assessment is not evidenced in the plan or in supporting evidence. The sustainability assessment identifies flood risk but not landscape effect, and there is no landscape character assessment for HBC within the evidence base. Therefore this site does not pass the test and should be removed.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Removal of housing allocation for the land south of Havant road, Emsworth (Allocation3,Horse's Field, SHELAA reference EM08a) which lies within the Chichester Harbour National Landscape.
