Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The plan is unsound for the following reasons
- it has failed to take into account the consultation responses as identified in the Appendix 1 to the Consultation document
- it has clearly identified a settlement boundary and then immediately plans to expand the boundary with new developments
These items indicate that the plan is not supported and has major inconsistencies within the plan.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan needs to reflects the consultation responses on retaining and enhancement of existing open spaces and that brownfield sites should be prioritised in the Development Strategy. In addition Figure 4 Defined Settlement Boundary, should identify the proposed impact of the developments in Figure 10. The Southleigh Estate development is missing from both of these figures and clearly expands the settlement boundary misleading local stakeholders on the expansion from the Defined Settlement Boundary in Figure 4.

Please note that while this will provide an initial indication of your wish to participate in examination hearing session(s), you may be asked at a later point to confirm your request to participate.
No details on the examination hearing session(s) have yet been determined and will be made available upon the submission of the Building a Better Future Plan to the Planning Inspectorate.

Yes, I wish to participate in examination hearing session(s)

Examination Hearing Session Invitation (2)

You indicated that you wish to participate in the examination hearing session(s). Please outline why you consider this to be necessary.
Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in examination hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

The Council has failed to address the issues it identified in Appendix 1 - Issues and Proposed Approach Consultation and has proposed a plan that is inconsistent with the consultation findings. In addition the plan is misleading in the identification of the development boundary and then the plans proposed expansion of the boundary.
I do not feel that the Council has taken into account the previous consultation and hence do not trust them to update the plan to address the important issues raised by residents in Appendix 1 without further challenge..
