Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Page 98 - HBC has allocated land within a National Landscape (site EM08a - The Horsefield) without providing evidence of exceptional circumstances which is required by the National Planning Policy (paragraph 190) for major development. This is unsound and is not legally compliant. Havant Borough Council has a legal duty to conserve and enhance the Chichester Harbour National Landscape.

Page 253 - The plan is unsound as HBC has rewritten Policy 30 of the Chichester Harbour National Landscape so that sites can be allocated without meeting the National Planning exceptional circumstances test. This would set a dangerous precedent for building and development elsewhere in the Chichester Harbour National Landscape. Chichester Harbour is an area of outstanding natural beauty. It is valued by people who live in the area and it draws in visitors from far afield who are seeking the opportunity to immerse themselves in nature and engage in outdoor activities surrounded by beautiful views. It is imperative that the natural landscape is preserved and protected.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Correction1 - Remove site EM08a - The Horsefield - from the site allocation as this sits within the Chichester Harbour National Landscape.

Modification 2 - Remove the phrase “other than where allocated within this local plan or” from Policy 30. This is to avoid a dangerous precedent being set of protected land being allocated for development without the national test being met. A legal protection is only as strong as the first time it is tested.
