Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The horse field lies within the very special National Landscape of Chichester Harbour. Havant BC is legally obliged to protect and enhance this area. No housebuilding or development can take place unless it is in the public interest and only in exceptional circumstances. This has not been demonstrated in the HBC plan.
The construction of 90 houses would ruin this landscape, add even more traffic to Emsworths already overcrowded roads, stress the water and sewage systems even more and lose forever the open areas that border the harbour. Further, it sets a precedent that HBC can ignore totally its duty to enhance the area - how many other sites are also at risk?

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
