Site EM08a - The Horsefield - has been allocated as a building development site without demonstrating the exceptional circumstances required by the National Planning Policy for major development. In addition, policy 30 (Chichester Harbour National Landscape) has been rewritten, illegally, to state sites can be allocated WITHOUT meeting the National Planning exceptional circumstances test.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The following corrections should be applied.
1. Remove EM08a from the site allocation
2. Remove the text "other than where allocated within this Local Plan or" from Policy 30

No details on the examination hearing session(s) have yet been determined and will be made available upon the submission of the Building a Better Future Plan to the Planning Inspectorate.

Yes, I wish to participate in examination hearing session(s)

## Examination Hearing Session Invitation (2)

You indicated that you wish to participate in the examination hearing session(s). Please outline why you consider this to be necessary.
Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in examination hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

I believe the pre-proposed housing development of the Horsefield to be an unwelcome part of the local plan. Traffic congestion on the A259 is already unacceptable since the development at Saxon Corner and would be far worse. I see no part of the plan to improve the overall infrastructure, roads, water, sewage, GP Surgeries, schooling etc to accommodate a "growing" population.
[redacted]Chichester Harbour National Landscape, formerly known as an Area Outstanding Natural Beauty (AONB), The Horsefield lies inside this landscape. HBC has a legal duty to further conservation and enhance this landscape. National Planning Policy paragraph 190 says major development should be refused unless there are exceptional circumstances and unless it is shown to be in the public interest. No such evidence has been produced.
I am very concerned, that if The Horsefield is developed, it will be used as an excuse to "concrete" over other areas within the landscape and Emsworth will further lose its identity as a "small" town/village.
