	Yes	No

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The Horsefield site is within the Chichester Harbour National Landscape. It is a hugely valuable open green area alongside the water and the new King Charles coastal pathway. There are no exceptional circumstances for this part of the overall plan and this would potentially set a precedent for further invasion of this protected area. Hopefully the Inspector will recognise this recommendation as unsound which could result in the rejection of the whole Local Plan as it stands. P253 HBC has rewritten Policy 30 so that sites cab be allocated without meeting the National Planning exceptional circumstances test. This is not right or just. As a local resident we regularly suffer from enormous traffic congestion each and every time the A27 has a problem, meaning all traffic comes through Emsworth and we cannot move in any direction. An additional estate of houses feeding directly on to the Havant Road would further exacerbate this problem. The established trees on and around the Horsefield Site must surely be protected and they contribute to air quality, wildlife locations and the overall appearance of this National Landscape. I understand that there was a split vote at the council meeting relating to this plan and that the "casting vote" then carried it. The needs and wishes of the local Emsworth community were therefore overruled by a non Emsworth resident.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please REMOVE Site EM08a The Horsefield from the Local Plan. Please REMOVE the phrase " other than where allocated within this Local Plan" from Policy 30.
