

Publication Building a Better Future Plan (Regulation 19) Representation Form

This is the final consultation before the plan is formally submitted for an Examination by an independent Inspector. At this stage, comments can only be made about whether the Plan is legally compliant and/or sound.

We highly recommend that you refer to the supporting guidance note when completing your response, as this provides further information about what is meant by soundness and legal compliance as well as assistance in completing each question.

The supporting guidance note can be found online at www.havant.gov.uk/localplan or can be requested by calling 023 9244 6019.

All representations must be returned by 5.00pm on 9 September 2026.

Once completed, please use the pre-paid envelope provided with this survey to post your response back to Havant Borough Council by the above date.

If you have any questions about this survey, please contact our Planning Policy Team at 023 9244 6019.

If you wish to comment on more than one part of the plan, please complete and submit a form for each part of the Plan you wish to comment on.

5. Part B - Your representation(s)

Please complete this section of the form for each representation you wish to make on the Building a Better Future Plan.

Please note in your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

This form allows you to submit one representation on the Building a Better Future Plan. If you wish to submit a representation on a separate part of the Plan, please complete this form in its entirety and then start a new form for your separate representation.

6. Which part of the Building a Better Future Plan does your representation relate to?

Please provide as much detail as possible.

If you wish to make a change to the Policies Map, please comment on the corresponding policy, and explain what change you would wish to make. If you would be helpful if you could show this in visual form

A full list of policies and allocations can be found in the contents page(s) of the Publication Plan.

7. Do you consider the Local Plan is ...

(Please select as appropriate)

	Yes	No
Legally compliant		
Sound		X

8. Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

You are welcome to attach additional pages to your response form.

Doswell maintains its objection to the Plan's inconsistent approach to development on Hayling Island. Policy 27(b) prohibits additional housing outside the settlement boundary, even where the site itself is not at risk of flooding. However, paragraph 4.237 expressly exempts Flood Zone 1 housing within the boundary from assessing flood risk to the island's access route. The settlement boundary does not change residents' reliance on that shared access to the island.

Doswell considers this approach insufficiently justified and inconsistent with the December 2024 NPPF's requirement for an evidence-based assessment of flood risk, including climate change, cumulative effects and lifetime safety. Although the updated Sustainability Appraisal considers options involving Hayling Island growth, the Council must demonstrate that it has adequately assessed selective development on suitable sites alongside deliverable access improvements and flood mitigation.

9. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.

You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

You are welcome to attach additional pages to your response form.

Doswell seeks amendments to Policies 1, 2 and 27 to replace the blanket restriction with a consistent, risk-based approach. This should include reassessment of Doswell's promoted land and the contribution that appropriate development could make to housing needs and infrastructure resilience, while retaining the national flood-safety safeguards.

6. Examination Hearing Session Invitation

11. If your representation / representations are seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in examination hearing session(s), you may be asked at a later point to confirm your request to participate.

No details on the examination hearing session(s) have yet been determined and will be made available upon the submission of the Building a Better Future Plan to the Planning Inspectorate.

	Yes, I wish to participate in examination hearing session(s)
X	No, I do not wish to participate in examination hearing session(s)

If you do not wish to participate in examination hearing session(s), please continue to page 13 of this form.

12. If you indicated that you wish to participate in the examination hearing session(s), please outline why you consider this to be necessary.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in examination hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
