Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

I object to the inclusion of Allocation 2 (land north of Long Copse Lane) as a potential development site in the local plan and strongly believe it should be removed from future considerations as follows:-

Additional homes built here will drain to Thornham Sewage Treatment works which is already unable to cope with the current capacity. It is no longer safe to swim or bath in Emsworth harbour because of the presence of effluent related bacteria. The high levels of Phosphorous & Nitrogen are clearly affecting the harbour habitat and don't comply current regulations. I understand that funding has been secured to expand the capacity at Thornham, but Chichester homes have taken up this extra capacity.

Long Copse Lane site has been proposed since 2021 with 210 homes suggested, any building interest has been withdrawn. The building of only 9 houses on Cornflower meadows caused untold disruption and damage to the lane. When the A 27 is closed, motorists use Long Copse Lane as an alternative route, effectively closing the lane down trapping all of the residents in their homes. The proposed site is so far out on a limb that there isn't a sensible way to arrange access that doesn't shut the area down for the duration of the build. This site is not deliverable.

Hollybank Woods and adjacent area gives refuge to an abundance of wildlife, is on the edge of Southdown National Park and Long Copse Lane provides easy safe access to horse riders, cyclists and pedestrians.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
