| **Legally compliant** | X | |

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Delete allocation 2 (land north of Long Copse Lane) from the plan

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The council has already said that for the site to be acceptable there must be public transport and dedicated walking and cycling links to Emsworth . There is no sustainable transport currently and asking the developer to “explore opportunities “ goes against this stated policy. Legally compliant YES. Sound NO

There is no evidence of how wastewater capacity will not be exceeded. I believe that the Thornham treatment works do not have the capacity for this and therefore the plan is unsound. There are already far too many sewage leaks both locally and nationally and it would make no sense to allow this development with no sound plan for wastewater. Legally compliant YES Sound No

This site is on the edge of the South Downs National Park. The council’s own findings from their 2015 survey concluded that this that no part of this land should be taken forward for growth and that the allocation is not justified. Legally compliant YES Sound no

Based on the evidence above, I request that this land be removed from the local plan at the earliest opportunity.
