Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The applicant has not demonstrated an overriding need to develop this environmentally sensitive greenfield site when substantial housing provision is already proposed elsewhere in and around Emsworth and opportunities exist on previously developed land within Havant Borough.
Havant Borough Council maintains a Brownfield Land Register specifically identifying previously developed land considered suitable for housing-led development. In addition, major housing provision is already proposed at Southleigh, where approximately 2,100 dwellings are envisaged.
Against that background, the loss of an undeveloped site of recognised landscape, ecological and community value should not simply be treated as an inevitable consequence of housing need. The appropriate question is whether the housing requirement can reasonably be accommodated through allocated sites, previously developed land, higher-density redevelopment and other less environmentally damaging locations before further sensitive countryside around Emsworth is lost.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Examination Hearing Session Invitation

If your representation / representations are seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?
Please note that while this will provide an initial indication of your wish to participate in examination hearing session(s), you may be asked at a later point to confirm your request to participate.
No details on the examination hearing session(s) have yet been determined and will be made available upon the submission of the Building a Better Future Plan to the Planning Inspectorate.

Yes, I wish to participate in examination hearing session(s)

Examination Hearing Session Invitation (2)

You indicated that you wish to participate in the examination hearing session(s). Please outline why you consider this to be necessary.
Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in examination hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

I wish to participate in the examination hearing because I believe the proposed allocation of the Horsefields raises significant issues concerning the protection of valued landscape and greenfield land, biodiversity, local character, infrastructure and whether less environmentally damaging alternatives have been properly considered.
I would particularly like the opportunity to discuss whether sufficient consideration has been given to brownfield land, previously developed sites, existing housing allocations and other more appropriate locations before allocating this sensitive site for development.
I believe participation at the hearing would allow me to respond to the evidence presented in support of the allocation and to explain the local circumstances and environmental importance of the Horsefields, which may not be fully conveyed through written representations alone
