	Yes	No
Legally compliant	X	
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Your local plan shows “land north of Long Copse Lane” as suitable for housing – maybe 300 houses? – but your “Infrastructure – Transport” plan shows no intention to improve the road access to this site.
Long Copse Lane cannot take any increase in traffic flow. In its current state it will be inadequate for the construction traffic needed for such a large development and also for the residential traffic of 300 new homes. Even if the road is improved/widened, the increase in residential traffic would place an unacceptable burden on the access to Southleigh road or the overloaded village of Westbourne.
The housing allocation to this parcel of land is only viable if there is suitable vehicle access to Emsworth Common Road.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan needs to show an intent to provide access from "the land north of Long Copse Lane" to Emsworth Common Road.
