Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

I object to the new wording in Policy 30 because it appears to go against the National Planning Policy Framework (NPPF, December 2024). By adding the words “other than where allocated within this Local Plan or”, Havant Borough Council has created an exception that could allow major development in a National Landscape without first showing exceptional circumstances or clear public interest at the application stage. In my view, this avoids the national tests that should apply and makes Policy 30 inconsistent with the NPPF.
For example, if this wording stays in the Plan, a large housing site could be treated as acceptable simply because it has been allocated during the Plan making stage, rather than first having to pass the national tests that protect National Landscapes.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Delete the wording “other than where allocated within this Local Plan or” introduced by HBC in Policy 30 that places it in direct conflict with the NPPF
