Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

1. Inconsistent with national policy of NPPF paragraph 189 & 190 - no evidence of "exceptional circumstances" Paragraph 190 refers to applications not local plans.
2. HBC not fulfilling it duties under the Crow Act 2000 and as amended under Levelling up & Regeneration Act 2023. HBC as a relevant authority has a duty to seek to further the statutory purposes of protected landscapes as Chichester Harbour is. Allocation 3 for 90 homes within the Protected Landscape is country to the CHC National Landscape and therefore not legally compliant.
3. Inadequate consultation allocation 3 was added after the main regulation 18 consultation so the public didn't not have chance to make comment.
Neighbours not told - against HBC "statement of community involvements". I understand that Chichester Harbour Conservancy (CHC) were not informed till 15th June 2026 as the statutory manager of the National Landscape.
Paragraph 16C of NPPF requires early & proportionate & effective engagement between the plan maker (HBC) and communities. This has not happened.
4. The site is immediately adjacent to fields regularly used by Brent Geese and Curlew and therefore functionally linked to the Chichester & Langstone Harbour SPA and likely to be disturbed by man as a result of new housing.
HBC's Habitat Regs Assessment says the allocation would be highly likely to undermine the conservation objectives of the SPA. The land used by shorebirds is a SINC and forms part of a network of sites identified by the Solent Wader & Brent Goose Strategy. HBC "Stargic Housing Land & Employment Land Availability Assessment" says it has not been demonstarted that suitable replacement compensatory habitat can be achieved.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove allocation 3 from the plan.
