Do you consider the Local Plan is ...

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

1. Inconsistent with NPPF (P189-190) - no exceptional circumstances
2. Crow Act 2000 & as amended by Levelling up & Regeneration Act 2023 - HBC duties not being carried out as the relevant LAs have a duty to seek to further the statutory purposes of protected landscapes. Allocation 3 with 90 houses within the Chichester Harbour AONB not National Landscape would be perverse and does not comply with HBC legal duties making this section of the plan non compliant.
3. I understand that there was inadequate public consultation as allocation 3 was added after the regulation 18 consultation. The local residents and the general public therefore didn't have chance to comment at an earlier stage. Local residents were not consulted as required by HBC and against its own "statement of community involvement" Furthermore I am informed that Chichester Harbour Conservancy (CHC) were not informed till 15th June 2026 yet they are the statutory manager of the National Landscape. The NPPF (P 16c) requires early & proportionate & effective engagement between the LA and communities.
4. Allocation immediately adjacent to an important Brent and shorebird SINC being functionally linked to the adjacent SPA ie Chichester & Langstone Harbour SPA. The site is well known and identified by the Solent Wader & Brent Goose Strategy. Such a development would cause undue disturbance & adversely affect the SPA. No suitable replacement site has been identified.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please delete the allocation 3 from the plan thank you
