Objection to Proposed planning of 90 houses on the HORSEFIELD at Havant Road Emsworth – Site EM08a.

We strongly object to the development of 90 houses on the Horsefield Site at Havant Road Emsworth. You (HBC) have not shown the exceptional circumstances required by the National Planning Policy regarding major development on the site EMO8a.This needs to be removed from the site allocation and also remove the phrase" other than where allocated within this local plan"from policy 30.

The houses would spoil a beautiful environment, destroying the natural habitat and wildlife.

There will be more pollution, light pollution and severe pressure on the already congested road systems. The pressure on the main hospitals at Portsmouth, local doctors , dentists and schools would be overwhelming to cope with the extra population .

Overall we are very sad that you the (HBC) has rewritten Policy 30 so sites can be allocated without meeting the National Planning exceptional circumstances test.

WE WANT THE HORSES NOT THE HOUSES

Yours hopefully

L and C Andrews
