Local Plan Pre-Submission Consultation

Havant Borough Council

Dear Sirs

~~THE~~ HORSEFIELD SITE, EMOSA, ~~EMSWORTH~~

I wish to register in the strongest possible terms my objection to the fact that ~~Havant~~ Borough Council is proposing to build housing on the above site, thereby setting a dangerous precedent for the future destruction of the Chichester Harbour area.

This is a) because it is disgraceful and ultimately humanly counter-productive to disregard conservation of protected land and its wildlife

and b) because it is ILLEGAL to proceed without demonstrating exceptional circumstances, or evidence that it would be in the public interest, which it emphatically is NOT.

I request that EMOSA be removed from the site allocation and that the phrase "other than where allocated within this Local Plan or" be removed from Policy 30, Chichester Harbour National Landscape.

HAVANT BOROUGH COUNCIL

Yours Sincerely
