Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

I am asking youth remove site EM08a (The Horsefields) from the site allocation. HBC has allocated this site within a National Landscape without demonstrating the exceptional circumstances required by the National Planning Policy for major redevelopment. This is unsound. In addition HBC has rewritten Policy 30 so that sites can be allocated without meeting the National Planning exceptional circumstances test. I am therefore asking you to remove "other than where allocated within this Local Plan" from Policy 30.
I believe that the Plan is likely to set a precedent for building elsewhere in the National Landscape around Chichester Harbour, which will be hugely detrimental to the local area. I also believe that by including this small piece of land, it risks the Inspector rejecting the whole of the Local Plan.
In addition, I believe the building of houses on the Horsefield, will have a huge negative affect on the local area. The main road is already hugely busy and only this morning there was an accident causing chaos to all who were trying to travel into Emsworth. This is an area of beauty and dense wildlife which will be affected by the building of houses. There are other areas more suited to development, with less damage to wildlife. [redacted] the geese visiting and watching the other birds using the field.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove EX08a from the site allocation.
Remove the phrase "other than where allocated within the local plan or" from Policy 30.
