Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

For the site in Allocation 2 to be acceptable the Council has already stated that there must be sustainable transport in place into the community (Emsworth) before any building starts. However the allocation you have only requires the developer to 'explore opportunities' for them. Long Copse Lane is already a hard to reach area, so adding this many new homes without any guaranteed plans in place is not acceptable. The wording that has been used in the plan is useless for both the new homes and the Emsworth community and the plan cannot agreed to on the basis on it is being assessed unless these requirements are made binding.

Also the wastewater capacity has not been demonstrated at all for these new homes. Emsworth is a very vibrant natural area and our waters mean everything to the community. The evidence in Allocation 2 talks about funding an expanded Thornham treatment works but only for Chichester's adopted plan – not for any of Havant's Emsworth allocations. The council has also conceded that you can not control this solution, which means that plan is not effective at all. If sewage of new housing cannot be proved to be treatable within the plan period then the houses should not be built.

For both of these reasons I object to Allocation 2.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I believe the only rational thing to do for the good of the Emsworth community is to delete Allocation 2 (Land north of Long Copse Lane) from the plan.
