Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The Horsefield, site EM08a, needs to be removed from the Local Plan, as it lies within the Chichester Harbour National Landscape and it is protected by law. Havant Borough Council seems to have slipped this site into the Local Plan in an underhand manner, without any consultation to the public and it has rewritten Policy 30 for its own purposes. The phrase "other than where allocated within this Local Plan or" should be removed from Policy 30 because it allows the allocation of an area without requiring the stringent tests to find out whether an area meets the exceptional circumstances for major development, which site EM08a does not. Therefore, it's inclusion within the Local Plan is not legally compliant and must be considered unsound. The Horsefield is the last remaining greenfield site between Emsworth and Havant to the South and it is also a highly important area for Brent Geese overwintering. Emsworth has already seen much development recently and the infrastructure is woefully inadequate. There has been a huge increase in traffic, the sewerage infrastructure cannot cope with any further development, the schools and doctors' surgeries are oversubscribed. The Council needs to remove these special green field sites and look at using more brown field sites, as it has a duty of care to further the conservation and enhancement of the local area.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

EMo8a needs to be removed from the site allocation and the phrase "other than where allocated within this Local Plan or" should be removed from Policy 30 to make the Local Plan legally compliant and sound.
