Dear Sir/Madam,

Please be aware that I object strongly to the proposed development at Long Copse Lane.

There are numerous reasons why it must not go ahead. Damage to the wildlife and beauty of the area is one. There simply isn't the space for additional traffic to go along a rural lane. More people would require access to local amenities, which are not available. Noise pollution is dire already. Hence, with more people crammed in it will become a true nightmare. Think of the additional fireworks that will be let off.

Please start redeveloping run down places where buildings are collapsing.

We must treasure the areas of outstanding beauty we have left and put a halt to the destruction of our planet.

I trust you will support the right course of action.

Kind regards,
Anne-Marie Willis (Mrs)
