Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant	X	
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The Plan is unsound because it sets out a specific policy regarding development in the Chichester Harbour National Landscape, then includes land for development which is in the CHNL, namely parcel EM08a. The Development Requirements do not specify the conditions which must all be met for building a major development within the National Landscape.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Allocation 3 should be removed completely from the Local Plan. This would make the Plan sound.
