	Yes	No
Legally compliant		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The Local Plan is unsound as it includes two areas that should not be included: Long Copse Lane and the Horsefield. There has been years of objection to Long Copse Lane with many objections as to its suitability. The main concerns are loss of habitat for wildlife, insufficient width of roads that are unable to cope with additional traffic, flooding, using farmland rather than brown field sites etc.
The Horsefield should definitely not be included as potential building land.as it is part of The National Landscape. This is protected land and if the rules governing this are flouted it will open the flood gates for other applications. The land is grazing and used by the migratory birds that overwinter here. There are drainage issues as a stream runs adjacent to the land. the A259 cannot cope with any more traffic. All the numerous infill building sites along the A259 have increased traffic to extreme levels whereby the adjoining traffic from side roads can no longer access the main road safely. The wildlife and horses in the field add to the ambience of the village as all the other green spaces are being swallowed up for housing. It is the only nearby greenspace for local residents. A housing estate would be detrimental to the whole approach into Emsworth, increasing the amount of concrete covered land and exacerbating drainage issues.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Both Long Copse Lane and the Horsefield should be removed from the local plan or it will fail again.
