Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant	X	
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Ancient woodland, and ancient & veteran trees, are protected as an irreplaceable habitat in the 2026 NPPF policy N6: Areas of particular importance for biodiversity and geodiversity.
There are two areas of ancient woodland totalling approx 9ha at Longcopse Hill adjacent to this site on the northern boundary.
The site contains the following veteran trees: Pendunculate Oaks (ATI IDs:188414, 188475, 188489, 188490, 195308, 195307) and Aspen (AT ID: 189394).

The policy refers to TPO woodland but not to ancient woodland, the latter having a higher degree of protection. The policy therefore is out of line with the NPPF.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

We ask that this site allocation policy explicitly name the presence of ancient woodland and veteran trees, and have the same robust requirements for their protection as set out in Site allocations 13 Cabbagefield Row and 23 Campdown, ie “Provide an ecological and landscape buffer for ancient woodland in accordance with Natural England and Forestry Commission guidance on ancient woodland, ancient trees and veteran trees: advice for making planning decisions, or any future guidance which supersedes it.”

If you wish to upload any documents to support your representation, please do so below. Please note that there is a maximum file size of 50MB and you can upload a maximum of 10 files to include with your form.

CAUTION: This email came from outside of the council - only open links and attachments that you're expecting.

My apologies - I had the correct names Campdown and Dunsbury Park, but the wrong numbers. Something lost in translation from the Reg 18 or the SHELAA possibly! Thank you for spotting this.

Many thanks

I am writing to follow up on the representations on the Havant Local Plan, which you made during our recent Regulation 19 consultation.
Two of your representations refer to combinations of Allocations Numbers and Names that do not exist in that form in our Publication Plan, namely:

Allocation 25: Campdown

In our Plan, the policy references are as follows:

Allocation 23: Campdown
Allocation 24: Waterloo Park
Allocation 25: Dunsbury Park
Allocation 26: Former Colt site
Allocation 27: Gas Holder site, Downley Road, New Lane

To be absolutely sure we which sites you intended to comment on, please could you confirm? If you are able to do this by return, that would be much appreciated.

Thank You
