Dear David,

Havant Building a Better Future Plan: Publication Plan Consultation July 2026

Dear David,

Thank you for providing Winchester City Council (WCC) with the opportunity to comment on Havant Borough's Publication (Regulation 19) Building a Better Future Plan.

WCC is pleased to see the considerable work that has been undertaken to address Havant Borough's unmet housing needs. In particular, we welcome the comprehensive and proactive approach that has been taken to explore potential solutions to meeting your unmet housing need, including looking for opportunities within the wider Hampshire and Solent devolution area, beyond the South Hampshire Housing Market Area. We have no further comments regarding your unmet housing need matter, as you have addressed all the points previously raised.

We also wish to acknowledge your letter of 10 August 2026, which provided an update on the position regarding cross-boundary cooperation and the progress made in relation to addressing unmet development needs. We recognise the efforts being made to accommodate Havant's economic development needs in nearby areas and are pleased to note that commitments have been secured from Portsmouth City Council and Fareham Borough Council in relation to these. We also note that, as a result, HBC is no longer seeking assistance from Winchester City Council in relation to Havant's economic development needs at the current time.

We trust that these comments are helpful and look forward to continuing to work positively with HBC as the Plan progresses through the examination process and in ongoing discussions regarding future needs.

Yours sincerely,

Adrian Fox
