Hi Pete

Many thanks for meeting us earlier.

To confirm, the last sentence in the 3rd para under Employment need and supply in the attached should read:

"On this basis, we would welcome confirmation that Fareham Borough Council is willing to continue to commit its surplus of **19,973** ~~31,261~~ sq. m of industrial floorspace to meet unmet need in Havant Borough? The Council will be engaging with Portsmouth City Council separately in respect of office floorspace."

Apologies - this was the Portsmouth office figure and an oversight on drafting. If you could provide a short response confirming that would be much appreciated.

Whilst writing - I also attach the drafted amends to Policy 7: Amount of Employment to reflect the changes to Portsmouth's supply. As discussed, these changes are confidential at this stage, but please do review and let us know if any further amends are required to reflect Fareham's position. If you could provide an indication of changes by close of play next Friday (4th) September that would be helpful, as we are meeting with Portsmouth on Monday 7th September.

Thanks very much,
Jade
