Hi Jade

Hi Jade

Thanks for the letter. I have read it through quickly and am content with what it says. I can confirm that the agreed quantum of office floorspace identified in the Portsmouth Local Plan is still available for HBC through the Duty to Cooperate. We will answer the letter fully in due course. It would be simpler if our response formed part of our overall response on the Havant Plan. Are you content with that?

Yes to meeting on the 7th. It will be with us before we know it!

Kind regards

Lucy Howard
