RECEIVED

25 August 2026

Dear HBC,

I write to protest about the development of the Horsefield (site EM08a). This is illegal on three main grounds.

1.This land is within a National Landscape and requires EXCEPTIONAL CIRCUMSTANCES for major development which have not been shown.

2. HBC has changed Policy 30 in Chichester Harbour National Landscape to suit this bid.

3.Any development sets a precedent for building elsewhere around Chichester Harbour.This will further stress the area where building has occurred on an extensive basis without significant additional parkland so residents have no choice but to trample the shoreline increasing the litter and pollution problem of the harbour..

This area has a maximum population above which Chichester Harbour suffers. The limit is nearing and despoliation will result.Please resist plans such as this which open the door to all developers & builders whose main motives are financial.

Yours sincerely,

[redacted]

Chris Knight
