VAT. LICENCES TO OCCUPY LAND; LETTING OF SPORTS FACILITIES

Exemption from VAT may be applicable under the following circumstances:

A. Single lets

Each single let is for a continuous period of over 24 hours to the same person, the person to whom they are let having exclusive control of the facilities throughout the let.

OR

B Series of lets

All of the following criteria must be satisfied before exemption can apply:

- the series consists of 10 or more individual sessions of the same sport or activity, each session being in the same place: **and**
- the interval between each session is at least a day and not more than 14 days : **and**
- the series is to be paid for as a whole, and there is clear evidence of this, whether or not the right to use the facility for any specific
- session is actually exercised A formal agreement, exchange of letters, or an invoice issued in advance requiring payment for the
- sessions specified on the invoice would be sufficient evidence. Refund for the non-availability of the facility by the Council would not invalidate this condition but provision for a refund in other circumstances would; **and**
- the facilities are let out to a school, club, association or organisation representing affiliated clubs or constituent associations; **and**
- the person to whom the facilities are let has exclusive use of them during the sessions.

- It is not necessary to book the same pitch to qualify for exemption, provided it is within the same recreation ground. Any further bookings in addition to those specified in the formal agreement will be standard-rated and subject to VAT.

VAT on Organised School Visits

The letting of facilities to a local education authority school falls within these rules of exemption and is not outside the scope of VAT under the provisions of the Local Authorities (Goods and Services) Act 1970.

BUILDING CONTROL FEES

Charges shown are applicable to the Havant Borough Council area.

There are three tables of charges:

Table 1 NEW DWELLINGS

Table 2 SMALL BUILDINGS, EXTENSIONS or ALTERATIONS

Table 3 ANY OTHER WORK

After determining which table the work your proposal falls into, you may calculate the charge payable. Where multiple works are proposed, i.e. extension and internal alterations, the separate charges should be added together. There are two methods of payment depending on the type and scale of work, i.e.

FULL PLAN APPLICATIONS The plan charge as shown in Tables 1-3 is payable when the application is deposited. We will send you an invoice for the inspection charge after works commence.

BUILDING NOTICE APPLICATIONS Under all tables the whole charge (plan plus inspection charge added together) is payable when an application is deposited.

GENERAL

Value added tax is payable on all applications except for regularisations. (VAT inclusive figures are shown in brackets in Tables 1,2 & 3).

Where a regularisation application is submitted the charge will be 120% of that stated in Tables 1,2 & 3.

The application may be exempt from charges if it is for work necessary to improve facilities for a disabled person, subject to certain criteria being met. A disabled person, whether registered or registerable, should supply supporting information with their Building Regulation application.

IF YOU ARE NOT SURE ABOUT ANY ASPECT OF YOUR PROJECT, HAVANT BOROUGH COUNCIL

BUILDING CONTROL WILL BE PLEASED TO DISCUSS ANY QUERY AND PROVIDE A QUOTE FOR YOUR BUILDING REGULATION APPLICATION.
