Dear Miss Fielder

HAVANT BOROUGH COUNCIL'S STATEMENT OF COMMUNITY INVOLVEMENT

Thank you for your letter dated 18 January 2006, inviting the Highways Agency to comment on Havant Borough Council's Statement of Community Involvement.

Please can I refer you to my letter to Claire Beech on 16 September 2005 in response to Havant Borough Council's Draft Statement of Community Involvement. The Highways Agency does not wish to formally object to your Submission SCI, but we would like to suggest a small addition of text. In Chapter 4, you may want to add "**On receipt of a planning application the council notifies a range of external consultees, some as a legal requirement**". As you are aware, it is a formal statutory requirement to consult the Highways Agency on planning applications under *SI 1995/419 Town and Country Planning (General Development Procedure) Order 1995*.

I hope this is helpful.

Please continue to send all Local Development Framework correspondence to Paul Robinson at the above address.

Yours sincerely

Patrick Blake
