Havant's Local Development Framework - the Statement of Community Involvement

Please find attached Havant Borough Council's Statement of Community Involvement which has now been submitted to the Secretary of State for Independent examination. I have also attached a copy of the Statement of Consultation, setting out the pre-submission consultation carried out under Regulations 25 and 26.

A final period of statutory consultation starts today and will run until 3 March 2006. The SCI will be available at the Civic Offices, Hermitage Housing Offices and libraries throughout the borough. The documents and comments form are also available on line at www.havant.gov.uk/havant-4338. If you would like a hard copy of the attached documents, please let me know.
