Director Peter Longman

Dear Miss Fielder

Statement of Community Involvement

Thank you for your letter of 18 January consulting The Theatres Trust on the final consultation for the Statement of Community Involvement.

The Theatres Trust is an advisory Non-Departmental Public Body and a statutory consultee on planning applications that affect land on which there is a theatre. It was established by The Theatres Trust Act 1976 'to promote the better protection of theatres', so we are therefore pleased to be included in Appendix 6 but would be grateful for 'The' to be added before our entry so that it reads The Theatres Trust.

We are also pleased that at 2.3 your SCI explains that your list of consultees on the database will be updated on a regular basis. There is a typo at the foot of Appendix 6 where the word database is missing its third a.

We look forward to being consulted on the next stage.

Yours sincerely

Rose Freeman
Assistant to the Director
