(Note –

- (i) although the best effort is made to predict, accurately, the dates on which these matters will be considered by the Executive, there are a number of reasons why some will slip to later dates in the programme or, sometimes, will not come forward at all;
- (ii) when considered at either the Executive or any Overview and Scrutiny Board some of these items may be discussed with the press and public excluded because such discussion includes "exempt" information as defined in Access to Information legislation – the agenda for the meeting will show whether this is to be recommended;
- (iii) S&RB mean Strategy and Regeneration Board; ECB mean Environmental and Community Board.)
