WEEKLY LIST OF PLANNING APPLICATIONS AND APPEALS NO:20 APPLICATIONS REGISTERED IN THE WEEK ENDING 22 MAY 2026

The attached list contains details of applications for planning permission submitted to Havant Borough Council together with details of development proposals of Hampshire County Council's applications upon which the Borough Council's views have been sought. You can view the applications on the Council's website www.havant.gov.uk and follow the link to Planning Applications on the home page.

If you would like to check on the progress of an application email: planning.development@havant.gov.uk

Anyone who wishes to make representations should use the online public access service or write to the case officer, to the address below. **Representations must be received no later than 14 days from the date this Weekly List was published (or the representations expiry date on the application details on the website, whichever is the later).** We will only notify you in writing of the Council's decision if you have made comments in writing or by e-mail about the application. Please quote the application reference number.

All written representations received by the above date will be taken into account. The Council's Committees are held in public and although the name of a writer is not normally disclosed at a meeting, in many cases the substance of the representations themselves serves to identify the writer. Furthermore, all objections and representations will become available for public inspection. No action can therefore be taken on letters indicating that they are to be dealt with in confidence and no reliance should be placed on having made representations as to a similar application in the past.

The Council posts this summary each week on the Havant Borough Council website. Individuals can subscribe to receive the weekly list by registering for Email Alerts and choosing 'Weekly Planning List'.

The Council operates a deputation scheme enabling individuals, including applicants, to speak at Committee meetings when a decision is being taken. If you wish to arrange this, please contact the case officer responsible for the application by telephoning the Customer Service Centre on 023 9244 6015.
