

LANGSTONE

COASTAL SCHEME

Vegetation Clearance 24th-28th August 2026

Coastal
Partners

LANGSTONE

COASTAL SCHEME

These works include carefully managed vegetation clearance to allow ecologists to safely relocate protected reptiles, including slow worms and common lizards, from future construction areas.

During this time (**24th-28th August**) there will be a one-week closure along part of The King Charles III England Coast Path/Billy Trail. Please follow diversion as shown on map.
