

Waterlooville, Havant

- Notes
1. This drawing should be read in conjunction with all other relevant details, drawings and specifications as specified in contract documents.
 2. Any discrepancies should be reported to the overseeing organization immediately so that clarification can be sought prior to the commencement of work.
 3. It is the Contractor/subcontractors responsibility to ensure compliance with the current codes of practice, standards and product manufacturers details and specifications.
 4. The Contractor is to keep a record of any variations agreed during the duration of the works, including the relocation of sewers or drains.
 5. All works to be preceded by a C2 information check and 'Cat & Genie' check on site.
 6. The Contractor is responsible is to print to the correct/indicated scale.
 7. All dimensions are in metres unless otherwise stated.
 8. The north point position shown on this drawing has been located as accurately as possible but is only indicative of true north.
 9. All Hampshire County Council standard details, referred to on this drawing, are to the current revision at the date of issue unless otherwise stated.
 10. Any trees & branches overhanging into 3rd party land will be dealt with through this clearance process and with full co-operation of the 3rd party owner.
 11. 3rd party lands owners have not been contacted at the date of this drawing
