Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

There has been nothing demonstrated that exceptional circumstances have been met for a major development. (Re EM08a, page 98)
It doesn't make sense for the National planning exceptional circumstances test not to be carried out, as planning will risk being in chaos, and we can't go back if errors have been carried out and building in the wrong location. (Re policy 30, page 253).
The A259 is also becoming far too busy, if more houses are built another slip road needs to be built between Emsworth and Chichester.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
