HBC has allocated land within a National Landscape
(Site EM08a – The Horsefield) without demonstrating the exceptional circumstances required by the National Planning Policy for major development.
UNSOUND
1.Remove EM08a from the site allocation; and
2.Remove the phrase “other than where allocated within this Local Plan or” from Policy 30.
A View Of The Horsefield (EM08a)
This will set a precedent for building elsewhere in the National Landscape around Chichester Harbour risking the Inspector rejecting the Local Plan for
such a small proportion of the housing target.
This is a green space and there are plenty of brown field sites which could be developed without destroying our green spaces. This decision should be about what is best the community and not about profit for the chosen few. Serious impact on highway infrastructure, the A259 is now w frequently congested (causing further pollution). The field frequently floods. Impact on water provision and waste. Doctors and schools are oversubscribed.
