	Yes	No

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

2. Policy 30 has been amended with the insertion of the words “where allocated within this Local Plan or” (page 253). This wording appears designed to exempt allocated sites, including EM08a, from the justification tests that would otherwise apply to development in a National Landscape. A local plan cannot lawfully use its own allocation as the justification for bypassing national protection policy — this is circular and undermines the purpose of Policy 30 and the NPPF protections it is meant to reflect.

3. The process by which EM08a was added to the plan does not reflect the scrutiny applied to other sites. It was introduced in May 2026, in the final weeks of plan preparation, without the years of assessment given to other allocations. It was retained in the plan only via the Mayor’s casting vote following a 16-16 tie of Full Council on 15 July 2026 — a margin that reflects how contested and finely balanced this decision was, not a settled or robust planning judgement. A site with this level of impact, in a nationally protected landscape, warrants more than a last-minute addition decided on a tie-break.

Across the whole of the Chichester Harbour National Landscape, no major development has previously been approved. Allocating EM08a would be the first, and would set a precedent other developers would be entitled to rely on elsewhere along this coastline. That is a strategic consequence the plan has not grappled with, and it goes directly to whether the plan is sound.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
