Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.

On page 98, Havant Borough Council has allocated land within a National Landscape (EM08a - The Horsefield) without demonstrating the exceptional circumstances required by national planning policy for major development. On page 253, the Council has also rewritten Policy 30 (Chichester Harbour National Landscape) so that sites can be allocated without first meeting this important national policy test.

I am deeply concerned that this weakens the protection afforded to the National Landscape and sets a dangerous precedent for future development, not only within the National Landscape itself but also around Chichester Harbour, which is designated as a Site of Special Scientific Interest (SSSI). If these safeguards can be relaxed here, it becomes much harder to resist similar proposals elsewhere.

Given that this allocation makes only a relatively small contribution towards the Borough's overall housing target, there is also a real risk that the Planning Inspector could conclude that the Local Plan is unsound because it fails to comply with national planning policy.

The National Landscape is one of Havant's greatest assets. Its beauty is not defined solely by individual viewpoints or protected habitats, but by the network of open fields, green spaces and undeveloped countryside that gives the area its distinctive rural character. Once these landscapes are built on, they are lost forever, and the damage cannot be undone. That is why the protections in national planning policy exist and why they should not be weakened through this Local Plan.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please remove EM08a from the site allocation and remove the phrase "other than where allocated within this Local Plan or" from Policy 30.
