Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

National Planning Policy requires that there be exceptional circumstances for major development, such as this would be. Your allocation of this parcel of land doesn't show that these exceptional circumstances exist and therefore I believe that it is not legally compliant.

Furthermore, your rewriting of Policy 30 regarding Nationally Protected Landscapes seeks to overrule the protection of the Chichester Harbour National Landscape by giving yourselves carte blanche to amend the policy by choosing where to allocate housing.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

If you remove the proposed allocation EM08A from your plan, you will then avoid the attempted fiction of 'exceptional circumstances' and further avoid the possible rejection of the plan by the inspector for a relatively small proportion of the overall housing allocation.

You should also remove the wording 'other than where allocated within this Local Plan' from Policy 30, as not to do so makes a mockery of the policy. If any policy can be superseded at will by the Council in order to meet other ends, what is the point of having such a policy?
