This area EM08a lies within Chichester harbour National Landscape. Havant Borough Council are required by law to conserve and enhance this landscape. Nation Planning Policy paragraph 190 states that major development should be refused in such cases unless there are exceptional circumstances and to be in public interest. I was unable to find any justification with the proposed plan.

You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To ensure the plan is legally compliant and sound this proposed area of development, EM08a, must be removed from the local plan so meeting National Planning policy.

Policy 30 must be modified to ensure development within the Chichester harbour National Landscape are fully justified and demonstrating that they meet the National Planning exceptional circumstances test. The modification will enable National Planning policy for national landscapes to be meet.
