Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

This is an area within a National Landscape. There are no exceptional circumstances to justify building here.
If this is allowed then the whole National Landscape will be at risk.
In addition the traffic through Emsworth has already increased considerably with daily congestion and this will make the problem worse.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

1) This site, EM08a, should not be included in the site allocations because it is in a National Landscape.
2) In policy 30 there is the phrase ‘other than where allocated within this LocalPlan or’. This phrase should be removed for the plan to be legally compliant and sound.

If you wish to upload any documents to support your representation, please do so below. Please note that there is a maximum file size of 50MB and you can upload a maximum of 10 files to include with your form.

No details on the examination hearing session(s) have yet been determined and will be made available upon the submission of the Building a Better Future Plan to the Planning Inspectorate.

Yes, I wish to participate in examination hearing session(s)

Examination Hearing Session Invitation (2)

You indicated that you wish to participate in the examination hearing session(s). Please outline why you consider this to be necessary.
Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in examination hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

New housing in and around Emsworth without any additional infrastructure is already causing daily congestion and traffic jams. Not providing an additional access road to the A27 has made and will continue to make this situation worse.
