Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

I feel that this is an unsound decision:
This site is within a national landscape.
There has been no demonstration of exceptional circumstances which is required by the national planning policy for major development.
Traffic is becoming a serious problem in Emsworth. There are no plans to help.
There are no plans to improve infrastructure
There are regular sewage spills into the harbour from increased housing

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

This site EM08a should be removed from the site allocation. It is in a national landscape. Protecting the national landscape is very important and should be very thoughtfully dealt with during planning developments. It is not good enough to just waive these protected sites. The people of emsworth are entitled to want to protect their national landscapes

[redacted] I care very much about protecting as much natural environment as possible for the Emsworth residents. I don't trust the council to look after the best interests of emsworth.
