Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

HBC has rewritten policy 30 so sites can be allocated without meeting the National Planning exceptional circumstances test.
Why would HBC do this? What is the point of laws to protect the national landscape?
Not respecting laws which protect certain landscapes leads to mistrust of HBC and government. In my experience it usually means that building contractors who do not have an interest in Emsworth benefit. And quite often councillors/MPs benefit too.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please remove the phrase ‘other than where allocated within this local plan’ from policy 30

[redacted]Because I seem to care more about protecting the landscape than HBC.
