Do you consider the Local Plan is ...
(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant o r is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Unsound: HBC has allocated land within a national landscape (site EM08a - the horsefield) without demonstrating the exceptional circumstances required by national planning policy for major development.

Unsound: HBC has rewritten policy 30 (Chichester Harbour Landscape) so sites can be allocated without meeting the national planning exceptional circumstances test

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove EM08a from site allocation

Policy 30 - remove the phrase “other than where allocated within the local plan.

Site EM08a falls within a national landscape. This means that by law it is a nationally important area of land within our beautiful Chichester Harbour. It is part of a delicate ecosystem for endangered birds, insects and mammals. The area provides an important space for recreation and wellbeing to local residents. By approving planning of houses on this site the government would be abusing its responsibility to protect the environment and precious green spaces. Emsworth’s infrastructure is already under pressure with widespread potholes in roads, schools at capacity and a doctor’s surgery that does not have enough staff for patient demand. Approval of this application would be irresponsible.

Examination Hearing Session Invitation

If your representation / representations are seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?
Please note that while this will provide an initial indication of your wish to participate in examination hearing session(s), you may be asked at a later point to confirm your request to participate.
No details on the examination hearing session(s) have yet been determined and will be made available upon the submission of the Building a Better Future Plan to the Planning Inspectorate.

Yes, I wish to participate in examination hearing session(s)

Examination Hearing Session Invitation (2)

You indicated that you wish to participate in the examination hearing session(s). Please outline why you consider this to be necessary.
Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in examination hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

I do not feel that the planning application and approval process at a national or local level is transparent. Nor do I feel the decisions made are in the interests in the local community. Councils and the government must be held to account and a hearing is a means by which this can be achieved.
