(Please select as appropriate)

	Yes	No
Legally compliant		X
Sound		X

Please give details of why you consider the Building a Better Plan is not legally compliant or is unsound. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

Your plan details building potentially 90 houses on the 'Horsefield' (Site EM08a) adjacent to the Havant Road and opposite the Ropemaker's Hotel. This site is within the National Landscape (previously ANOB) boundary, it is a greenfield site and therefore by nature a unique and highly sensitive environmental area. To develop this land the council would first need to prove that it met the National Planning 'exceptional test'. HBC have failed to do this and therefore this specific trench of land (EM08a) within their local plan is both unsound and illegal.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To completely remove EM08a from your local plan and look elsewhere for a trench of land that you can then be used to meet your needs. This would avoid the risk to HSBC that the entire local plan be rejected for this small proportion of your housing target
