I believe this particular land lies within the Chichester Harbour Landscape and it is the duty of Havant BC to further conserve and enhance this landscape. The National Planning Policy para 190 says major development should be refused unless there are exceptional circumstances and it is in the public interest. There has been no evidence of this which has been published. If this development succeeds this will set a precedent for other protected areas to be developed. A legal protection is only as strong as the first time it is tested. I cannot see how this is “Building a Better Future” certainly not for the Emsworth community, only perhaps for the Developers.

Emsworth and surrounding areas have been saturated with new housing. We have had developments along the Havant Road (opposite the horse field), along the Southfields Road with more scheduled, developments at Alfrey Close, a huge development in Cooks Lane Southbourne, another development adjacent to the Camping and caravan park along Main Road, a further development rear of what use to be the Caravan sales showroom, Main Road Southbourne, development along Broad Road Nutbourne, all within the last few years. Although some of these developments fall under West Sussex, the impact is for everyone within the district, whether they are under Havant or West Sussex. There has been no addition or improvement to the infrastructure and the no improvement to the access to the A27. I’m not sure why we have Local Plans when they are obviously ignored.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

EM08a should be removed from the site allocation. On policy 30 the phrase “other than where allocated within this Local Plan or” should be removed from Policy 30.
