If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your comments.

The council has chosen land that is within a national landscape and has not demonstrated exceptional circumstances. EM08a the Horsefield. They have rewritten policy 30 which is Chichester harbour national landscape so that sites can be allocated without meeting the national planning exceptional circumstances test. We do not want to set a precedent that this is legal and that they can start building on similar sites in Chichester harbour. We do not want to risk the inspector rejecting the local plan for only a small number of houses. It would ruin Emsworth to have this development. Chichester harbour is an area of outstanding beauty and needs to be kept as such for generations to enjoy now and in the future.

Please set out the modification(s) you consider necessary to make the Local Plan legally c ompliant and sound, in respect of any legal compliance or soundness matters you have ide ntified above.
You will need to say why each modification will make the Local Plan legally compliant or so und. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Need to remove EM08a from the site allocation and remove the phrase' other than where allocated within this local plan or' from policy 30
