Page 98 States that HBC has allocated land within a national landscape without demonstrating thr EXCEPTIONAL CIRCUMSTANCES required by the national planning policy for MAJOR DEVELOPMENT.
Page 253 also states HBC has rewritten policy 30 so sites can be allocated WITHOUT MEETUNF THR NATIONAL PLANNING EXCEPTIONAL CIRCUMSTANCES TEST.
I am requesting to remove EM08a from the site allocation ans to remove the phrase "other than where allocated within this local plan from policy 30.

The national landscape of horsefield has always been important to me as it's one of the few remaining open fields around emsworth and is an important place for dog walkers and the like. Building on this land will open the door for building on many other sites in Chichester Harbour national landscape. I fo not believe there are exceptional circumstances to develop 90 houses on this plot of land and thr costs to traffic and pollution will outweigh the benefits of providing what will likely be not very affordable "affordable housing" to an expensive area.

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.
You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
